

## DISINFECTING SURFACE WIPES

Kills viruses such as Staph (MRSA), Norovirus, Influenza A, and more. Kills 99.9% of germs and bacteria in just 15 seconds.

## HOSPITAL/SURGICAL WIPES

EPA registered WipesPlus® Hospital Surgical Wipes meet CDC & CMS guidelines for health care disinfectants and exceeds OSHA blood-borne pathogen requirements. Proven to kill Gram Positive and Gram Negative Bacteria, Tuberculosis, Chlamydia and Pathogenic Fungus.

## HAND SANITIZING ALCOHOL FREE WIPES

WipesPlus® gently cleans while killing germs. Contains an FDA approved, water based formula that kills 99.9% of germs without potable water. Our convenient wet wipe is far more effective than a hand sanitizing gel as it cleans the hands while it sanitizes.

## HAND SANITIZING WIPES

WipesPlus® Hand Sanitizing Wipes contain 65.9% alcohol and meets the food code's hand sanitization requirements. Effectively killing 99.9% of germs and bacteria, using hand sanitizing wipes protects employees and customers by helping to prevent the spread of bacteria that cause illnesses.

## FOOD SERVICE WIPES

Wherever food is prepared, served and enjoyed, WipesPlus® has wet wipe solutions that are safe for staff and guests and keeps your surfaces clean. Cleared by the EPA for use on food contact surfaces without a rinse after sanitization.

## SPECIALTY WIPES

Some of the most important surfaces we clean are hospitals, geriatric patients, and baby's bottoms. WipesPlus® variety of specialty wipes are hypoallergenic, alcohol and latex free, and are gentle enough to clean everyone from hospital patients to homebound adults.

## ACCESSORIES

The right accessories make the right statement. WipesPlus® offers a full compliment of dispensing options for our disinfecting, antibacterial, general purpose and specialty wipes. Make a selection that's right for each location in your facility.

### WipesPlus®, Wet Wipes For Every Surface

From the most complex and challenging of environments with strict code requirements, to heavily trafficked areas where dirt, grime and germs are left behind, we've got your facility covered with the most comprehensive wet wipe cleaning solution for any surface and in every environment. Whether you need counters and equipment sanitized or disinfected, and have surface materials ranging from stainless steel to Plexiglas, we have the right wipe, with the right dispenser for any location, making the wipes convenient to access and encourages use.

WipesPlus® has the right compliment of wet wipe solutions for:

- Restaurants
- Fitness Centers
- Hospitals and Ambulatory Care Centers
- Healthcare Offices and Facilities
- Supermarkets
- Schools and Universities
